Alon letter draft Apr 12 2016 (DA.MD) .docx

Yes, this mostly works. I made a few notes for you to look at before it goes to Mike etc.

Michele,

I changed the letter and tried to make it clearer. If it is still factually correct, I'd like to give it to Mike for review and send concurrently to ENF and ORC, noting some minor changes were made.

Thanks,

David

David and Michele, ORC upper management had some cleanup edits/comments to the letter. Here is the revised letter. Sorry, I did not redline it, but the only changes were in references to parties, and a bit of cleanup.

Hi David,

I've added the date of the email that Alexa left blank for "the program" to insert, and revised the name of the letter to Rev 6, plus changed March to April for the letter's date. It should be ready for Mike's signature.

They have asked us if they could reply on the Fruitvale proposed exemption and requested our input, so I reworded one sentence.
